SETTLEMENT AGREEMENT BETWEEN OMSL & CORBETT DARREN HOWELL

Come the Complainant, the Kentucky Office of Mine Safety & Licensing (“OMSL”), and Respondent Corbett Darren Howell (“Howell”), and hereby state that they have agreed to a settlement of the above-styled disciplinary proceeding, according to the following terms:

In consideration for the final resolution of this action against him,¹ and the cancellation of the hearing (as it pertains to him) that is currently scheduled for July 14, 2005, Howell hereby admits that he was working as a shot firer - although he was not certified to do so - on September 15, 2004, at Star Coal Trucking’s No. 2 mine (“the mine”), in violation of KRS 352.260 (1), as alleged in OMSL’s Complaint. Howell further admits that he had smoking articles in his possession underground (at the mine) on said date, in violation of KRS 352.170 (3), as alleged in OMSL’s Complaint. Therefore, Howell hereby agrees to the following:

1. The SUSPENSION OF HIS UNDERGROUND MINER’S CERTIFICATE

¹ OMSL and Howell are filing a joint motion with the Mine Safety Review Commission (“the Commission”) to approve the Settlement Agreement and dismiss this action.

(# **FOR A PERIOD OF TWENTY (20) DAYS**, effective upon the signing of this Settlement Agreement by both parties. Howell shall turn over his underground miner's card to OMSL's Martin office when he signs this Settlement Agreement.

2. **UPON THE EXPIRATION OF SAID 20-DAY SUSPENSION PERIOD, HOWELL'S UNDERGROUND MINER'S CERTIFICATE WILL AUTOMATICALLY BE PLACED ON PROBATION FOR A PERIOD OF EIGHTEEN (18) MONTHS.** During said probationary period, Howell shall comply with all state and federal mine safety laws and regulations. The willful violation by Howell of any of said laws or regulations may result in OMSL filing a motion with the Mine Safety Review Commission to revoke his underground miner's certificate for the remainder of the probationary period.²

3. During the aforementioned 20-day suspension period and the subsequent 18-month probationary period, Howell is also **PROHIBITED FROM TAKING THE KENTUCKY SHOT FIRER'S (BLASTER'S) EXAMINATION** and from holding a Kentucky shot firer's certificate.

4. Within 45 days of the effective date of this Settlement Agreement, Howell must take **EIGHT(8) HOURS OF SPECIAL SAFETY TRAINING** from OMSL at its Martin District office.³

Howell further agrees that this Settlement Agreement and any final order issued herein

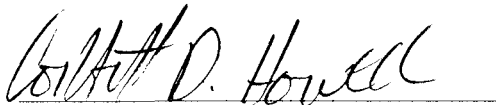

² If the circumstances warranted, OMSL would also retain the right to file a separate action with the Commission seeking other penalties against Howell for his actions. In either event, Howell would have the right to a hearing before the Commission on the allegations against him.

³ Said special safety training is in addition to any annual refresher training or other safety training that Howell is legally required to take.

by the Mine Safety Review Commission will be considered by the Commission to constitute a “first offense”, as that term is defined at 805 KAR 8:010, Section 1 (5); and that any future adjudication against him by the Commission - regarding a separate alleged offense - will be deemed a “subsequent offense” as defined at 805 KAR 8:010, Section 1 (13).

Howell understands and agrees that he has had the opportunity to retain an attorney to represent him in this matter, but that he has chosen to represent himself. Howell further states that he has carefully read this Settlement Agreement (or that the Settlement Agreement has been read to him), that he has carefully considered the Agreement prior to signing it, and that he understands and agrees to its terms and provisions.

OMSL and Howell acknowledge and agree that there are no other promises, inducements, representations, or agreements in connection with this Settlement Agreement other than those expressly set forth in writing herein.
